Please provide accurate measurements and photos of your space. We encourage you to include a copy of your Plat of Survey. You may also email us as many photos as you would like, however, please send them in small batches of 3 or 4 photos at a time. The more information you give us the better we can help! We will call you to set up an appointment at the Garden Center after the plan is finished to go over the plan and plant suggestions. The \$50 fee is due at the time of your appointment. You will receive a detailed plan, plant list, maintenance tips, and a \$25 gift card to help get you started when you pick up your plan.
